## Austria

Austria is a country across the Atlantic Ocean in Europe. The Wonder World Kids travel to Austria to help the dancing white horses, the Lipizzaner. You pronounce their name "Lee-Pee-Saw-Ner." Austria is famous for its old buildings and beautiful music. The famous composer Wolfgang Amadeus Mozart lived in Austria. He performed his music for the Empress when he was only five years old.

*Have you ever seen a real cuckoo clock?*

*What colors will you use to color it?*

*What time does the clock show right now?*

\_\_\_\_\_

*Fynn would love to read a sentence about an animal you love:*

## Peru

Peru is a country on the West Coast of South America. The Wonder World Kids travel to Peru to help the missing llamas. Peru was the home of the Incas. They built beautiful cities hundreds of years ago using large rocks and wood. You can still visit the ruins of their ancient cities today. The most famous is called Machu Picchu, pronounced "Ma-choo Pee-choo." It is also known as the City in the Clouds.

*Llama Lily is missing!*

*Write down her tag number and add two to find out how many llamas are in the herd:*

\_\_\_\_\_

*Llamas can have many different colors. Which one are you going to use?*

*Fynn is looking for the missing words to solve the case:*

Llamas live in a large \_\_\_\_\_. When they are happy, llamas like to \_\_\_\_\_ to each other. Llamas eat \_\_\_\_\_ and live \_\_\_\_\_ in the mountains.

**Word bank:** hum, high, herd, grass
